This is a follow up to a previous request:

Thank you for following up with me! Even if the contract only lasted a few months, I believe my FOIA request would still apply, and it would be great to have documents pertaining to that time period.

Best,
Caroline

On Dec. 10, 2018:
Good Afternoon, Ms. Haskins:

The Denver Police Department does not utilize software designed to access information from social media services. For a short time in 2016, the Department contracted with GeoFeedia for social media monitoring services; however, that contract was cancelled after a few months. If you have any questions, please do not hesitate to contact me.
